Better Ballymun Day

AOINE 28Ú FEABHRA

Better Ballymun Day was held on Friday 28th of February throughout the Ballymun area and in our local schools. It was a great success with many people and children taking part in the overall clean-up of the area.

The weather on the day was wet and windy but that didn't dampen the events. We would like to thank the parents and grandparent from rang 1 and rang 3 who braved the wind and rain to help the children plant some beautiful new colorful flowers in our new planters. The children are all very proud of their new surroundings and will enjoy looking after their plants over the coming months. Go raibh maith agaibh!

We have recently set up our new school website, please feel free to check it out.

NEW PARENTS MEETING

24TH MARCH AT 10.30AM

Múinteoir Ray will be meeting with the parents of our new September 2020 Junior Infants classes on March 24th at 10.30am.

Teachers and parents are partners in the children’s education, with co-operation and communication between home and school being vital ingredients in the educational process. We share the same aim, the wellbeing and education of the children in our care. It will be a short meeting with the express purpose of sharing information with parents concerning school. We look forward to seeing you all on the day.

Go raibh maith agat!

IMPORTANT

ANNOUNCEMENT

Please be aware that some children have started to arrive in school early and proceed to leave the school playground to go to the shop across the road. This is a huge safety concern and we suggest strongly that you speak to your child and ensure that they do not do this. Once they arrive in school, they should remain on school grounds for their own safety.

Gradam na Gaeilge – na Buaiteoirí

Abhaile luath/ Early leavers

Children should not be collected early from school unless it is absolutely necessary to do so. While we understand that doctor’s, dentist’s and other important appointments and events are part of everyday life and these cannot be avoided, we ask that you refrain from any unnecessary early collections when possible.

Missing just two hours a week in the month of February is equal to missing 8% of school for that particular month.

Thank you for your co-operation!

Bruscar/ Rubbish

Litter and social duty!

We spend a lot of time making sure our school is litter free every week. It is a constant battle with rubbish on the street blowing onto our school grounds every day and in particular on Monday Morning after the weekends. Dublin City Council have committed to putting another litter bin on the street beside our school and we encourage everyone to use it. They are also giving us litter pickers and some other items as we intend to do a few clean ups ourselves outside the school every week involving different classes. We need to take ownership of our area and while it isn't the children throwing litter everywhere, they along with their families and school staff are the ones that have to look at this unsightly mess every day. We intend to do a few Spring cleans regularly to keep our environment clean tidy. Please feel free to come along and help if you would like. The more the merrier and it sets a good example for pupils. We all own the earth and are all responsible for keeping it litter free!

Táimid ag iarraidh na sraideanna a ghlanadh suas timpeall an scoil!
